

Greenwell Foundation Hot Weather Policy

The Greenwell Foundation makes the following adjustments during extreme hot weather. This is for the safety of all participants, volunteers, staff, and horses. All advisories are from the National Oceanic and atmospheric Administration, known as NOAA. For more information go to www.noaa.gov

When the **Heat Index**, reaches 100 degrees:

- Horseback Riding lessons during Horse Camp are limited to 30 minutes.
- Kayaking is limited to the morning hours.
- Hiking is limited to 30 minutes during morning hours.

When the NOAA issues a **Heat Advisory**:

- Horseback Riding lessons during Horse Camp are cancelled and replaced with barn lessons.
- Horseback Riding lessons during afternoon and evening hours are cancelled and replaced with barn lessons.
- Kayaking is limited to the morning hours.
- Outdoor play during all camps is limited to shady areas.
- Hiking is cancelled.
- Campers *may* be moved to indoor, air-conditioned locations during afternoon hours.
